NOROCCIDENTALES

TERMS OF REFERENCE July 2022

Title:

Focus Group Landing Obligation

Chair:

Emiel Brouckaert

Rapporteur:

NWWAC Secretariat

Working language:

English

Time frame and deadline:

The Focus Group Landing Obligation will function as a standing group within the Horizontal Working Group.

The business of the FG will be conducted by means of tele/video-conference and distribution of information and documents by electronic systems to ensure maximum value regarding time and expenses.

Objective:

Following the implementation of the Landing Obligation in January 2019, it is now possible to examine and discuss its effectiveness. In addition, related topics such as the technical measures, the discard plan and the directed fishing definition need closer attention and involvement from the NWWAC to influence the best possible conditions for fishing in the NWW.

As these are ongoing issues which will need attention over the coming years, a standing Focus Group on the Landing Obligation is established. Its aim is to support the Horizontal Working Group in drafting advice on topics such as discard plans, choke risk, fishing opportunities and technical measures, when the task demands specific focus and effort.

Members:

Name	Organisation		
Alexandra Philippe	EBCD	OIG	EU
Anais Mourtada	CNPMEM	IND	FR
Aodh O'Donnell	IFPO	IND	IE
Arthur Yon	FROM Nord	IND	FR
Emiel Brouckaert	Rederscentrale CV	IND	BE
