ANNEX II – Reimbursement rules

Travel cost:

All experts shall be entitled to the reimbursement of their travel expenses from the place specified in their invitation (work or home address) to the place of the meeting, by the most appropriate means of transport given the distance involved. In general, for journeys of less than 400 km (one way, according to official distance by rail) this shall be first-class rail travel, and for distances of more than 400 km economy class air travel.

If the journey by air involves a flight of 4 hours or more without stopovers the cost of a business class ticket shall be reimbursed.

- (1) The authorising officers for commitments shall specifically try to ensure that meetings are organised in such a way as to enable experts to benefit from the most economical travel rates.

The authorising officers for payments shall scrutinise particularly closely any requests for reimbursement involving abnormally expensive flights. They shall have the right to carry out any checks that might be needed and to request any proof from the expert required for this purpose. They shall also have the right, where it appears to be justified, to restrict reimbursement to the rates normally applied to the usual journey from the expert's place of work or residence to the meeting place.

- (2) Travel expenses shall be reimbursed on presentation of original supporting documents: tickets and invoices or, in the case of online bookings, the printout of the electronic reservation and boarding cards for the outward journey. The documents supplied must show the class of travel used, the time of travel and the amount paid.
- (3) The cost of travel by private car shall be reimbursed at the same rate as the first-class rail ticket.
- (4) If the route is not served by a train the cost of travel by private car shall be reimbursed at the rate of EUR 0.22 per km.
- (5) Taxi fares shall not be reimbursed.

The Commission shall not be liable for any material, non-material or physical damage suffered by invited experts or those responsible for accompanying a disabled expert in the course of their journey to or stay in the place where the meeting is held, unless such harm is directly attributable to the Commission.

In particular, invited experts who use their own means of transport for travelling to such meetings shall be entirely liable for any accidents that they might cause.

Subsistence allowance:

The daily allowance paid for each day of the meeting is a flat rate to cover all expenditure at the place where the meeting is held, including for example meals and local transport (bus, tram, metro, taxi, parking, motorway tolls, etc.), as well as travel and accident insurance.

The daily allowance shall be EUR 92.00.

If the place of departure cited in the invitation is 100 km or less from the place where the meeting is held, the daily allowance shall be reduced by 50%.

Experts who have to spend one or more nights at the place where the meeting is held because the times of meetings are incompatible with the times of flights or trains¹, shall also be entitled to an accommodation allowance. This allowance shall be EUR 100.00 per night. The number of nights may not exceed the number of meeting days + 1.

An additional accommodation allowance and/or daily allowance may, exceptionally, be paid if prolonging the stay would enable the expert to obtain a reduction in the cost of transport worth more than the amount of these allowances.

The daily allowance and/or accommodation allowance may be increased by 50% by reasoned decision of the responsible authorising officer by delegation for very high-level experts, with a minimum of EUR 300 when the increase applies to both the daily allowance and the accommodation allowance.

¹ As a general rule, experts cannot be required:

- to leave their place of work or residence or the place where the meeting is held before 07.00 (station or other means of transport) or 08.00 (airport);
- to arrive at the place where the meeting is held after 21.00 (airport) or 22.00 (station or other means of transport);
- to arrive at their place of work or residence after 23.00 (airport, station or other means of transport).
