

Deep Sea Species

This WS is organized by the North Western Waters, the South Western Waters and the Long Distance Regional Advisory Councils given the widespread geographical coverage of deep-sea fisheries and the encouragement by the Commission to set joint working groups and provide a common advice on management of deep-sea stocks

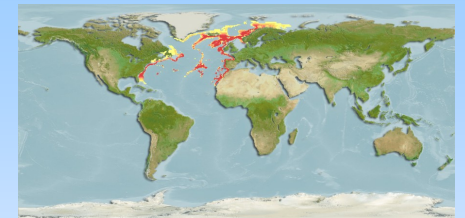

Joint event organized by the LD, NWW and SWW RACs

The George Hotel.
19-21 George St,
Edinburgh, EH1 2PB, United Kingdom

For registration and information:
