

# Technical and economic feasibility study on long-term management of used plastics fishing gears (UPFG)

Run by **Coopération Maritime** with support of Ministry of Environment & Ministry of Agriculture, **ADEME** and **PAPREC** group

2016

Observation : Few information about used fishing gear  
→ PECHPROP

2018

Recommendations :  
Settle a shared responsibility system of UPFG by consensus

2019

**2** europeans directives : SUP and Ports facilities

2019

PECHPROP 2 : meeting about a shared responsibility of UPFG with fishing gear producers

Cooperation Maritime in collaboration with the French Agriculture Plastic Committee (CPA) launched : PECHPROP project  
With support of CNPMM (The National Committee of Maritime Fisheries and Marine Fish Farming)

Cooperation Maritime is a non-profit organization. Its mission is to support and promote artisanal fishery.

2020  
**1** french law :  
circular economy  
(use SUP and Ports  
facilities directives  
measures)

2020  
Goal 1 : inform all  
fishing sector about  
the french law and  
its impact (harbours  
masters, fishermen,  
fishing gear producers)

2020  
Goal 2 : Create  
shared responsibility  
system of UPFG (a  
kind of voluntary  
extended producer  
responsibility) by  
consensus

Many thanks for your attention
