

# NWWAC Performance Review

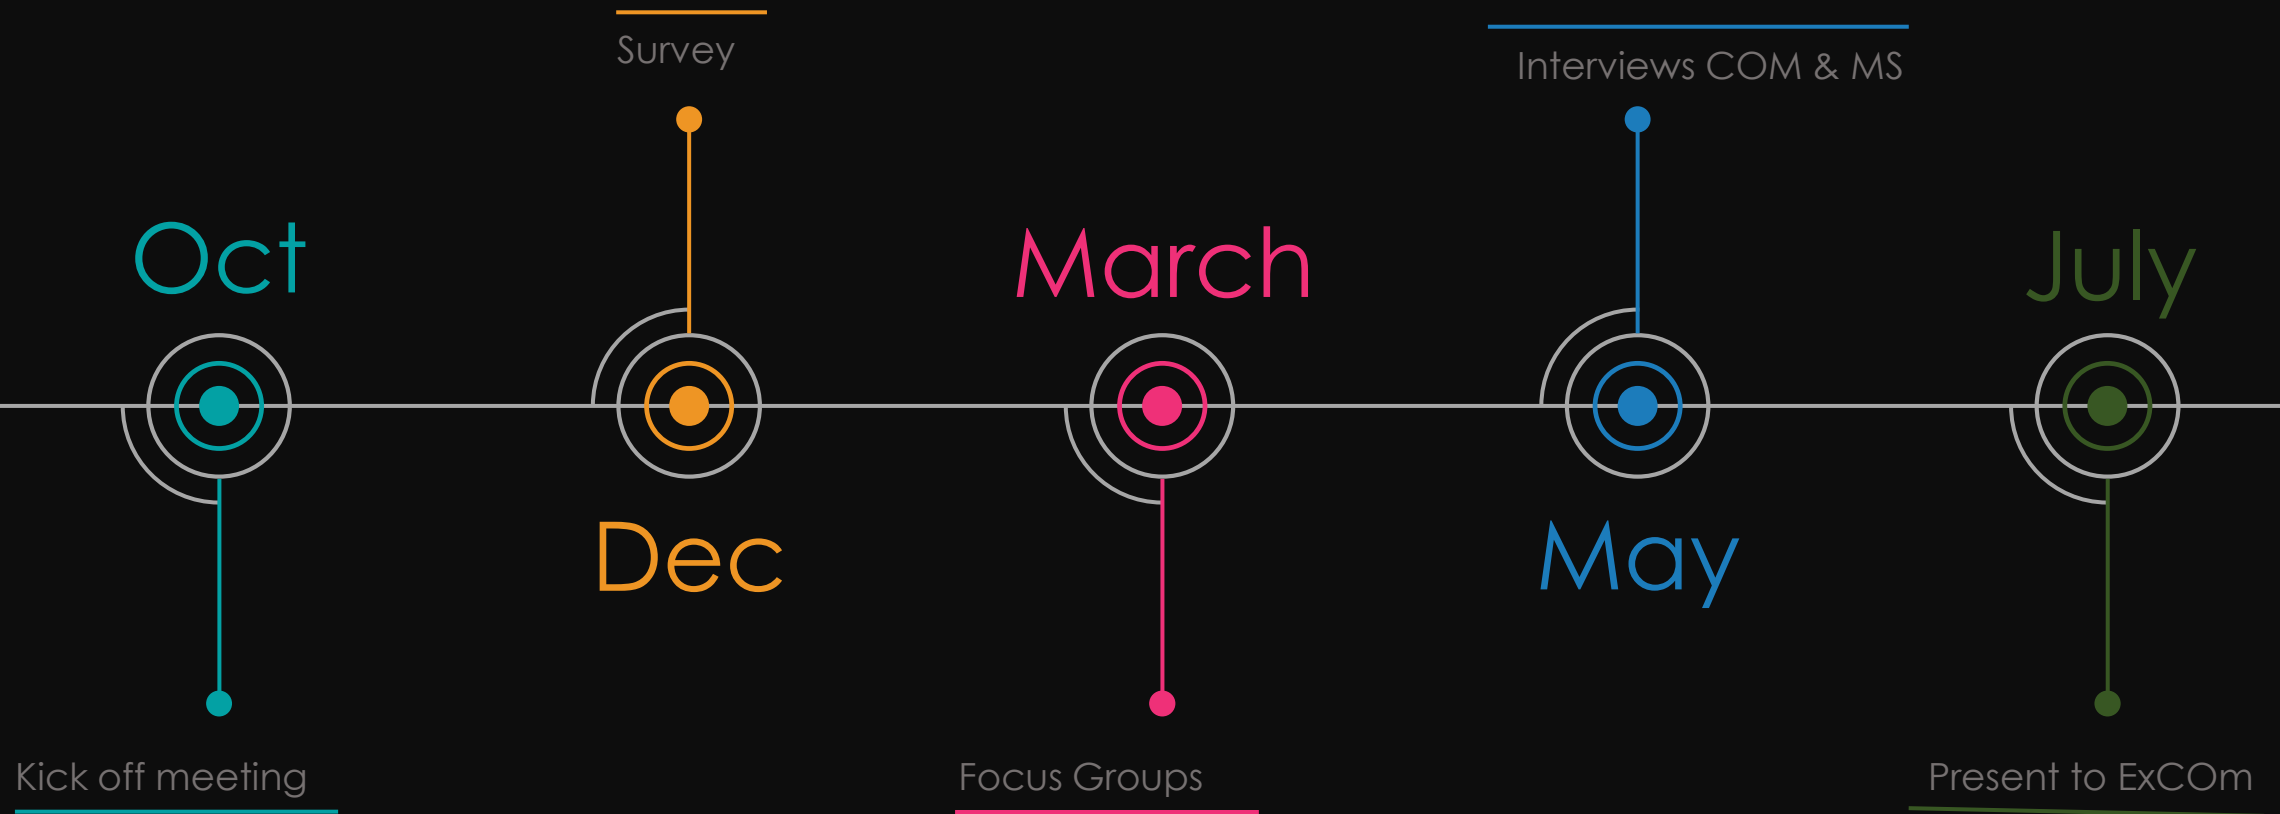

---

5 July 2023

Noémi Van Bogaert & Sara Vandamme

# Timeline 2022-2023

# Aim of today

---

- Present preliminary findings
- Elaborate on specific results and questions
- Last feedback for the final report
  
- No recommendations

# Topics of the performance review

---

## Internal evaluation

- Performance of Chairs & Secretariat
- Functioning of the WG and ExCom
- Representation of different interests
- Decision-making process
- Communication & Public Relations

## External evaluation

- Relationship with COM, MSG, ACs
- Contribution to the CFP

# Internal evaluation

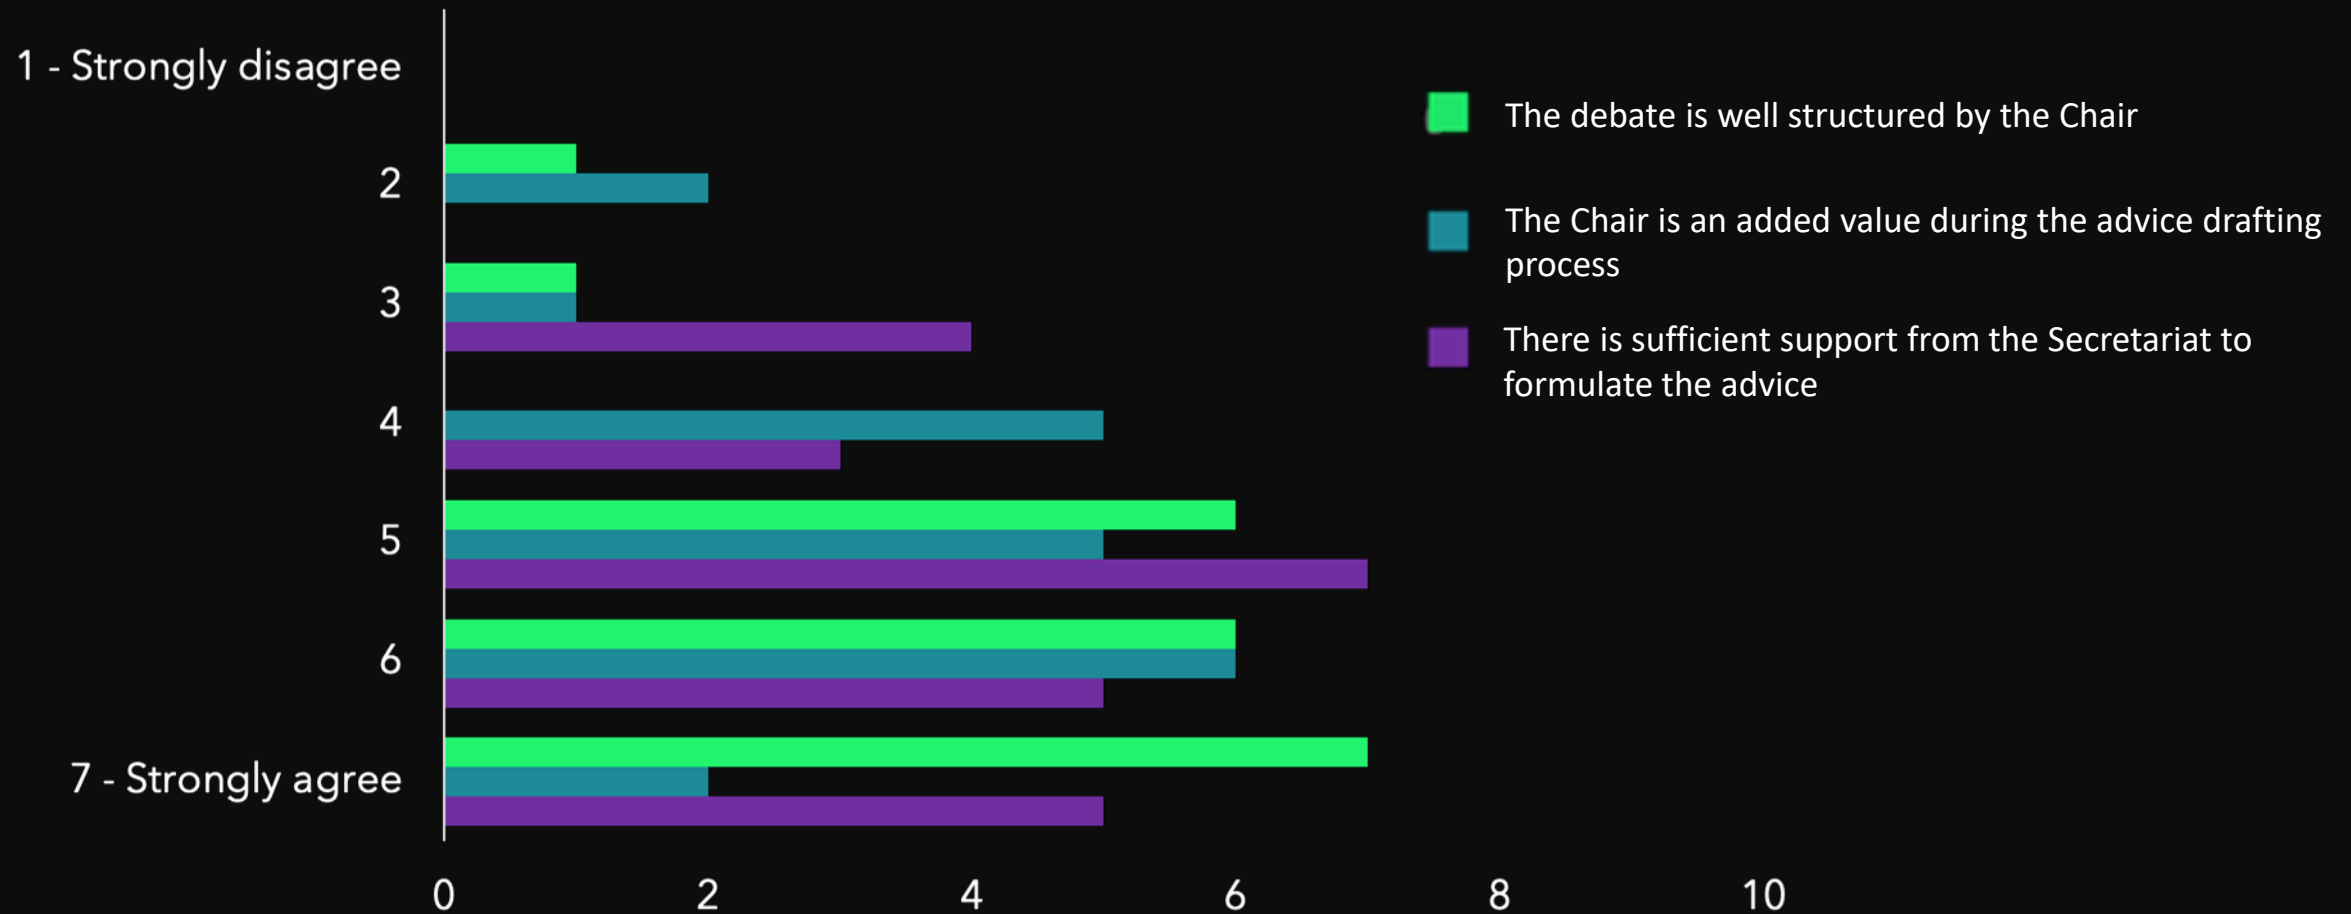

- Performance of Chairs & Secretariat
- Functioning of the WG and ExCom
- Representation of different interests
- Decision-making process
- Communication & Public Relations

# Performance of Chairs and Secretariat

---

# Performance of the Chairs and Secretariat

# Performance of the Chairs and Secretariat

## Secretariat:

- Attention to detail
- 'Can-do' attitude
- Domain knowledge

## Chair:

# Performance of the Chairs and Secretariat

---

## Interviews

“The NWWAC is well-organized with an effective Secretariat and competent Chair. They have expertise on the right topics.”

# Functioning of the Working Groups and ExCom

---

# Functioning of the Working Groups and ExCom

---

- Meetings have the right scope and are of high quality
- Professional working environment
- Interventions are of good quality with well-informed members
- Meetings are constructive, foster social connections and networking

# Functioning of the Working Groups and ExCom

---

## Challenges:

- Reaching consensus
- Accessibility
- Ownership
- Overload information
- Languages

# Representation of different interests

---

# Representation of different interests

1 - completely disagree

2

3

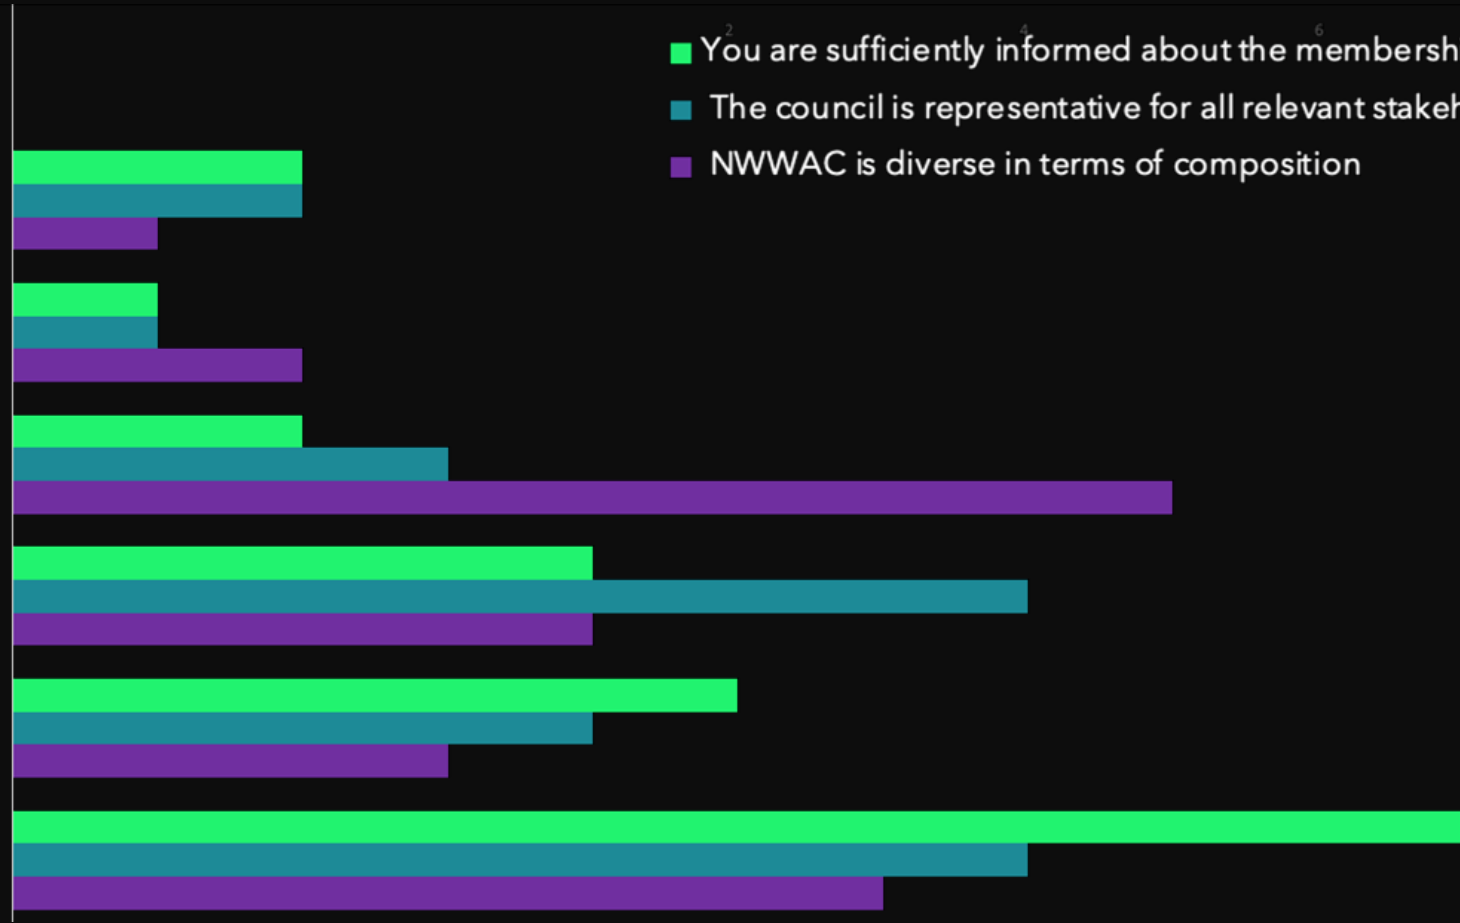

4

5

6

7 - completely agree

- You are sufficiently informed about the membership selection criteria
- The council is representative for all relevant stakeholders in its policy domain
- NWWAC is diverse in terms of composition

# Functioning of the Working Groups and ExCom

---

## Focus groups and Interviews :

- Small-scale fisheries
- Other sectors e.g., wind energy, aquaculture
- UK Members
  - ⇒ Condition NWW region
- Frustration about OIG membership

# Decision-making process

---

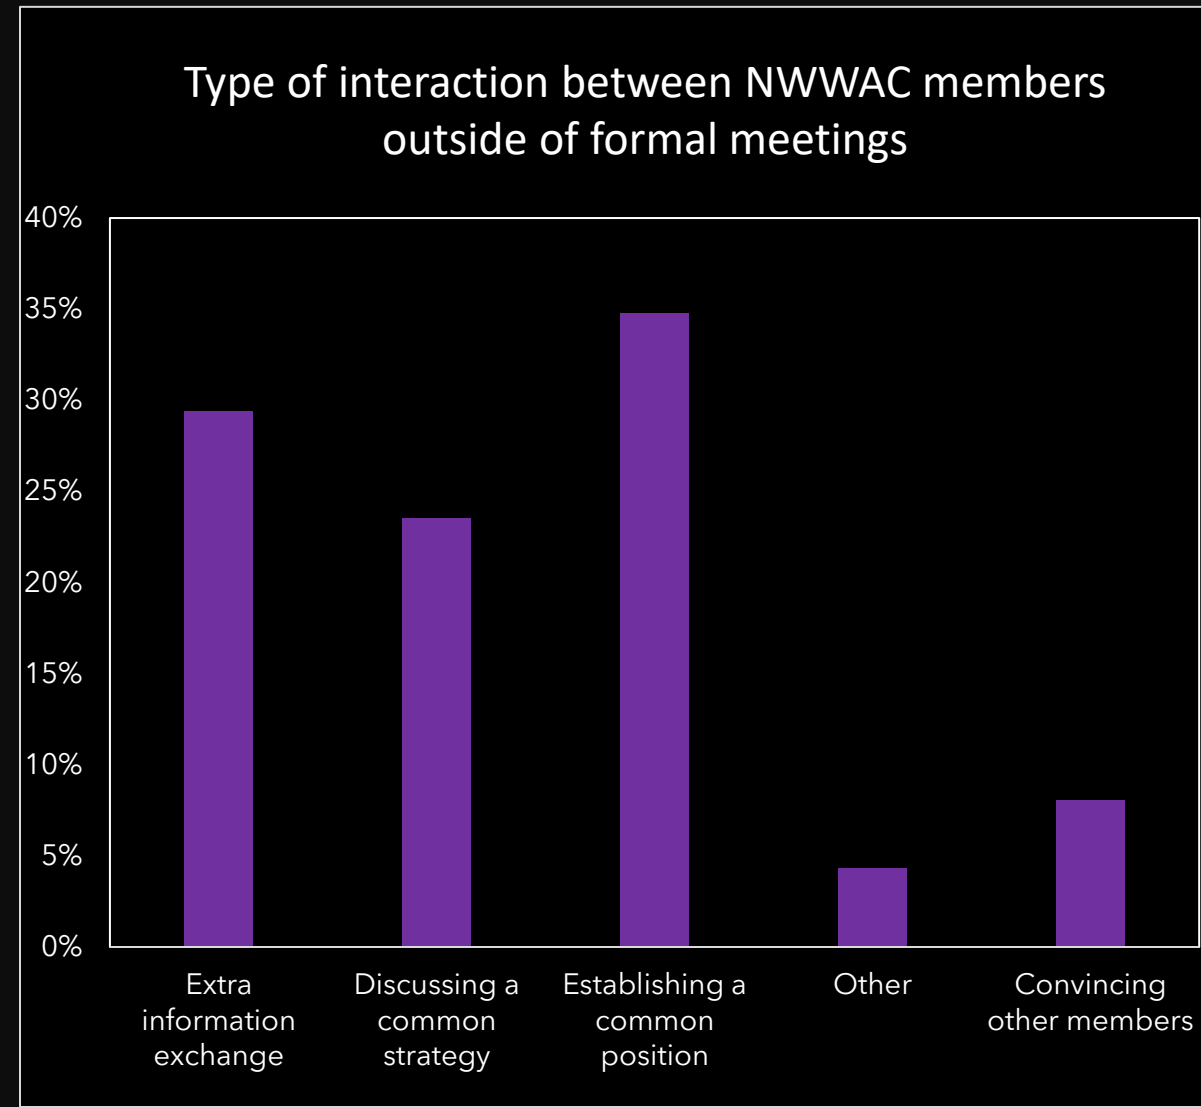

# Decision-making process

---

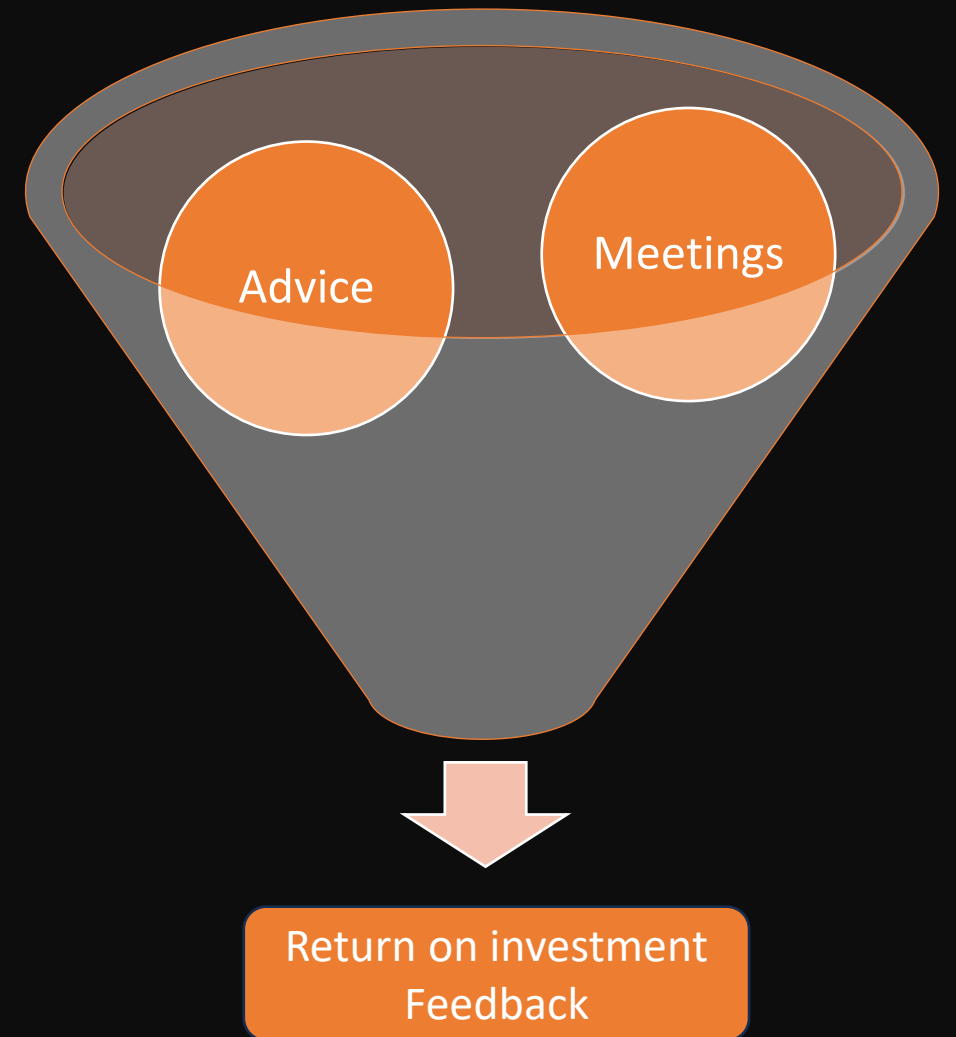

## Strengths and weaknesses of advice

- Clear Terms of Reference
- Excellent quality
- Minority opinions clearly stated
- Secretariat acts as a facilitator
  
- Too long, too many

# Decision-making process

- Disappointment

# External evaluation

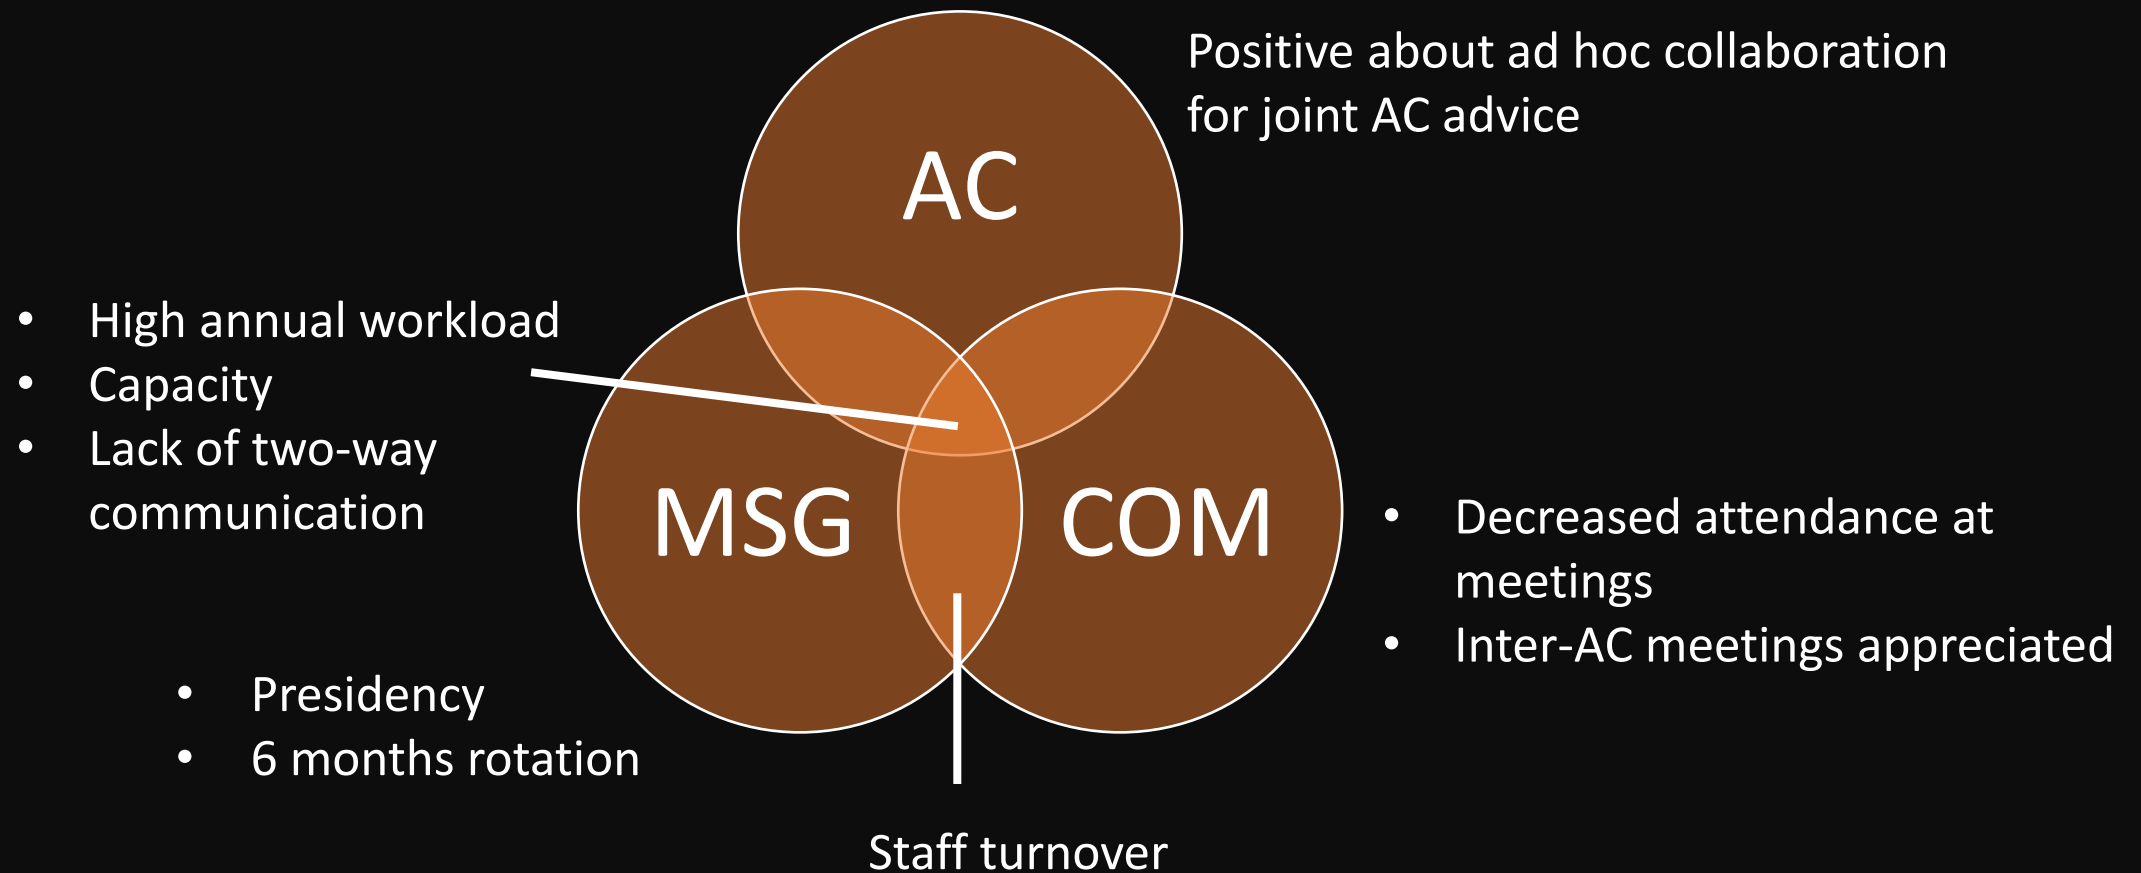

- Relationship with COM, MSG, ACs
- Contribution to the CFP

# Relationship with external parties

---

# Relationship with others

# Contribution to the CFP objectives

---

# SWOT- analysis

Good governance principles of regionalisation :

- Better involvement of stakeholders
- Tailor-made management
- Interests' stakeholders taken onboard in policy
- Bottom-up approach

# Contribution to the CFP objectives

## Strengths

- Participatory process
- Integrate practical knowledge
- Representative & robust
- Regio-specific issues taken into account

Better involvement  
Tailor-made  
Stakeholders included  
Bottom-up approach

## Opportunities

- Inclusive policy
- Work in progress
- Reduce workload for policy-makers
- Funding required

## Weaknesses

- Weak return on investment
- Lack of harmonization on shared issues
- Impossible to accommodate all
- Lack of consideration

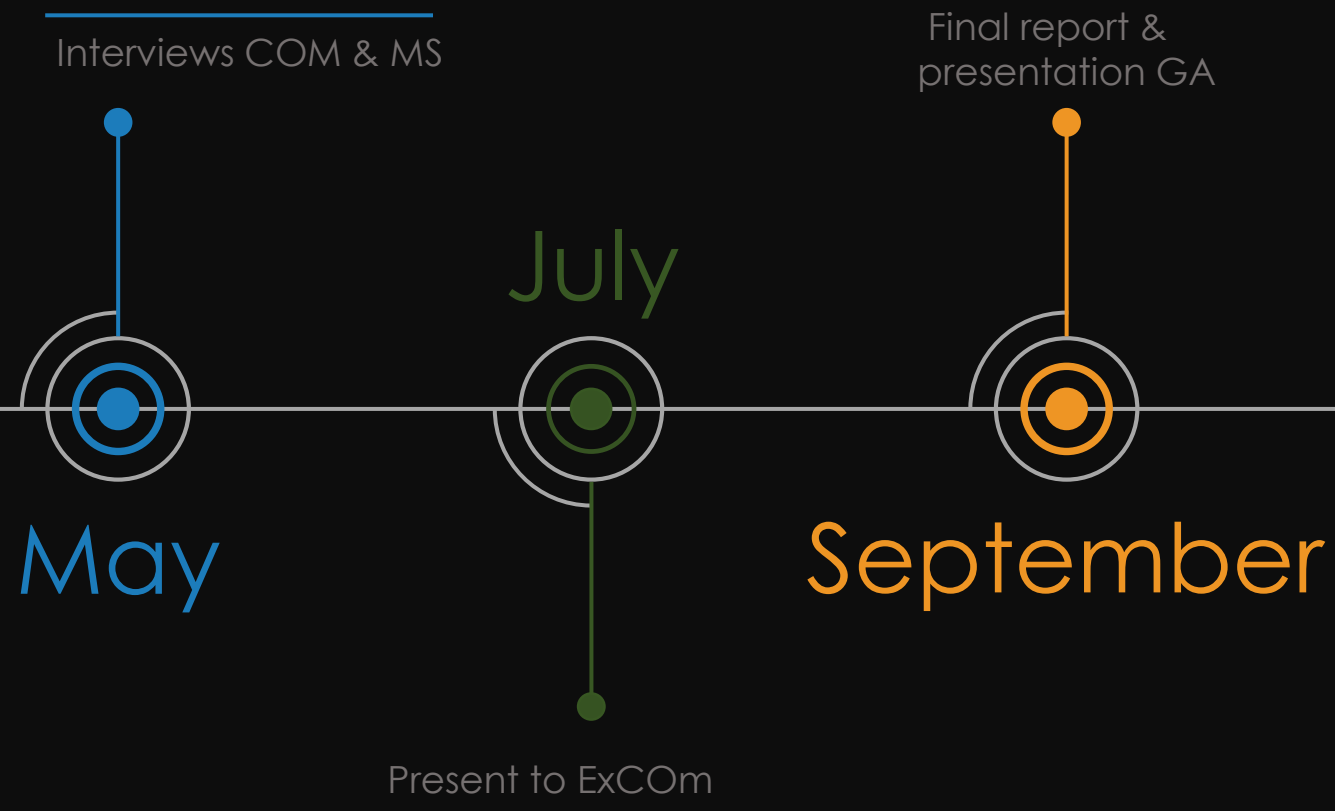

## Threats

- Lack of capacity
- Delay in implementation
- Coherence problems
- NA

# What's next
